

## Internet Services Made to Order

Whether you're building your first web site or looking to expand your internet ministry our all inclusive services are tailor made to fit your needs. Our customized site designs provide you with a truly unique presence that will set you apart. Best of all, they're editable and expandable at any time so you're not locked into a site design that won't meet your needs in the future.

## Web sites starting from just \$35 a month\*

Web sites are important communication and outreach tools but keeping up with them takes time, effort and a steep learning curve. Wouldn't it be great if you could run your entire web site from your email? Now you can. We'll design maintain and update your site for you and keep you in the loop with 24/7 email support. Our packages start at \$40 a month but mention the Ministry Discount\*\* and we'll reduce the price by \$5 a month. Best of all you get a site custom fit to your ministry's personal needs.

### What You Get

All of our packages include:

- Domain Registration
- Site Hosting
- Monthly content Updates
- Customized site design
- Up to 3 new pages per year
- 5 email accounts
- Interactive site software
- 24/7 online support

### Need More?

Whatever your needs our staff is ready to assist you. Even if you have an existing site and are looking to upgrade we'd love to talk to you about ways you can make a good web site great. We offer custom graphic and digital animation design, custom scripting of message boards, mailing lists and an endless host of communication tools. Contact support today to learn how we can help you expand your digital ministry. We understand the unique needs of churches and not-for-profit organizations and we're ready to help you find the communication tools that will best help you achieve your goals.

\*Available with a two year contract
